

Workshops

For those of you who prefer a more "class-like" environment, we are happy to arrange workshops.

We will host workshops for groups of 4 or more people. Gather your friends or tell us you're interested and we'll set a date when we get enough people. Private workshops available for 6 or more. Great idea for tween parties, book clubs, Red Hats, Moms' Clubs, Girls' Night Out, and family get-togethers.
