LILLY OLLO™

create YOUR OWN STYLE™

Create stunning reversible jewelry in less than 3 hours. Choose the shapes and embellishments to decorate your jewelry. Personalize pieces with a name, initials, word, or message! Use a pre-measured package of silver clay to create one large piece, 2 medium pieces, one medium and 2 small pieces, or 4 small pieces. You can create pendants, earrings, bracelets, wine charms, cell phone charms, bookmarks, and more. Here's how it works:

1. Choose a shape and texture from a variety of Textured BaseMolds™.

2. Choose from a wide selection of Lilly Ollo™ TopStamps™ that are calibrated to fit with the BaseMolds™. Personalize your piece with initials, words, or names using the Lilly Ollo™ BuildAWord™ stamps.

3. Place the clear TopStamp™ onto a clear stamping block.

4. Press the pre-measured silver clay into the BaseMold™.

5. Press the TopStamp™ into the silver clay.

6. Dry the silver clay on a QuikDry™ Tin then fire in a kiln.

7. Polish and antique your creation.

8. Add jump rings and attach to leather cord (included in the price), or upgrade to one of the many finishing options available to participants. The finished piece is heirloom quality pure silver. All Lilly Ollo™ jewelry is also reversible to give you 2 different looks! See p.3 for more pendant ideas!
